

Offshore crane operator

Global training and competence standard

When we develop your people you can be assured of their competence to carry out the safety critical role of offshore crane operator to Sparrows exacting and industry leading standard.

Competence is a combination of:

- Skills
- Knowledge
- Experience
- Behaviour

Appropriately applied by an individual to enable them to consistently perform a task safely and to a defined standard. Simply put - "Show what you know".

Our goal is to help build a strong safety culture in your workforce that will lead to a reduction in the frequency and severity of incidents and deliver tangible benefits to your organisation.
